## What is credit assistance?

---

We provide you credit assistance when:

- we suggest or assist you to apply for a particular credit contract with a particular credit provider;
- we suggest or assist you to apply for an increase to the credit limit of a particular credit contract with a particular credit provider; or
- we suggest you remain in a particular credit contract with a particular credit provider.

## Assessment for credit assistance

---

Before we provide credit assistance to you, we must assess whether the particular loan is suitable for you.

To do this, we need to make reasonable inquiries and to verify that:

- the loan or increase will meet your requirements and objectives; and
- you can meet the proposed repayments.

We won't be able to give you credit assistance if our assessment shows that:

- you won't be able to meet the proposed repayments without substantial hardship; or
- the loan won't meet your requirements or objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless we can prove the contrary. For this reason we must ask you to provide a significant amount of information. It is therefore very important that the information you provide to us is accurate.

## Getting a copy of our assessment

If we provide you with credit assistance, you can ask us for a copy of our assessment any time up to seven years after the date of the credit quote. To request a copy please contact us.

We will provide you with a copy:

- within seven (7) business days after the day we receive your request—provided you make the request within two (2) years of the date of our quote; or
- otherwise, within 21 business days after the day we receive your request.
